

Privacy Policy

Effective Date: 15 August 2025

Just Us Private Messenger (“we”, “our”, “us”) respects your privacy and is committed to protecting it. This Privacy Policy explains how we collect, use, and protect your information when you use our app.

1. Information We Collect

1.1 Account Information

When you register, we collect your phone number and/or email address to create and maintain your account.

1.2 Face Data

Our app uses your device’s front-facing camera for real-time facial recognition to enable privacy protection features such as blocking screenshots, preventing screen recording, and detecting multiple viewers.

We do not record, store, or retain face data.

All face recognition processing happens locally on your device.

No face data is sent to our servers or third parties.

1.3 User-Generated Content

When you use the app to send or receive messages, images, or other content, this content is encrypted and only visible to the intended recipient(s).

1.4 Device Information

We may collect basic device information (such as model, OS version, and app version) to improve performance and security.

2. How We Use Information

We use the information we collect to:

Provide and operate the app's core messaging and privacy features.

Maintain security, including preventing unauthorized captures of on-screen content.

Respond to reports of objectionable content or abusive behavior.

3. User-Generated Content & Community Safety

To comply with App Store guidelines, Just Us Private Messenger has the following safety measures:

Report button: Users can report objectionable content directly within the app.

Block button: Users can block other users to prevent further contact.

Content review: We review reported content within 24 hours. If the content is found to be objectionable, it will be removed and the offending user may be ejected from the platform.

4. Data Storage & Retention

Messages: Stored securely and encrypted end-to-end. Only the sender and intended recipient(s) can view them.

Face Data: Never stored, recorded, or transmitted.

Account Information: Retained while your account is active and deleted when you delete your account.

5. Data Sharing

We do not sell, rent, or trade your personal information. We only share information if required by law or to prevent harm.

6. Security

We use encryption, secure servers, and industry-standard best practices to protect your data from unauthorized access or disclosure.

7. Your Rights

You may:

Delete your account at any time, which removes your data from our systems.

Block or report other users directly from the app.

Contact us to request data deletion or information about your account.
